

CAPABILITY STATEMENT

Global Security · Criminal Justice · Operational Advisory

Hive International is a globally engaged operational advisory firm supporting criminal justice, investigations, intelligence, digital forensics, border security, and public-safety modernization. We deliver embedded, field-tested capability that builds trusted ecosystems of practitioners across borders.

CORE COMPETENCIES

- Criminal justice advisory & capacity-building
- Digital forensics & lab modernization
- Intelligence-led border security & targeting
- Customs & trade enforcement advisory
- Multi-jurisdictional investigations support
- Training delivery & practitioner development

DIFFERENTIATORS

- Embedded advisors with operational, field-tested experience
- Interconnected network model spanning jurisdictions
- Outcomes measured against mission impact, not deliverables alone
- Trusted relationships across global criminal-justice partners
